## **PREZI PRESENTATION INSTRUCTIONS**

1. Use the email address set up by Ms. Stamer to log in to Prezi
2. Create a new Prezi and pick a theme. The theme should make SOME sense to our project.
3. Title the Prezi "*Mystery Patient Diagnosis # \_\_\_*". Place your patient packet number in the blank.
4. You should have the following slides and information on them. Then use the Prezi Division Worksheet to divide up the work.
